

Cal-Poly Names Local Girls to Dean's List

Two Torrance girls were among the more than six-hundred fifty men and women students of California State Polytechnic College in San Luis Obispo named to the Dean's List for outstanding scholastic achievement during the Fall quarter of the 1961-62 academic year.

Social Science major, Diane E. Bower, 3753 W. 182nd St., Torrance, and Physical Education major, Sally Ann Plumer, 20530 Wayne Ave., Torrance, were included on the list which was compiled of students from 235 cities and towns in California, as well as those from Twenty-two other states.

The list is supplemental to the President's List.

My Platform:

When elected, I will endeavor to promote economy in government, will be ever watchful in eliminating hazardous conditions such as sumps, flooded areas, and oil well violations in our city before accidents occur, will do all in my power to lend dignity to the Council and eliminate flare-ups, displays of ill-feelings, and public reprimands. I will work diligently for the fuller use of our recreational facilities, and promise to vote on every issue. I will not abstain.
